SPORTS DAYS 2024

YEAR 4 ARE ROCKSTARS!

Year 4 students celebrated their times tables achievements by coming into school dressed as rockstars. They all enjoyed some time playing board games together and being off timetable! Rock on Year 4!

ZONES OF REGULATION PARENT WORKSHOP

We use Zones of Regulation as a key part of our Behaviour and Relationships policy. This involves empowering children to consider how they are feeling emotionally which leads to an increased ability to manage a range of emotions.

For any parents and carers who are interested in finding out more about this approach, Mrs Mace is running the final parent workshop of the academic year on: **Thursday 11th July at 14:30.**

Please come through the main office - we look forward to seeing you there.

TRANSITION ARRANGEMENTS

The end of the school year is getting close!

For some children we have sent home some additional transition resources to help them prepare to meet their new teacher which they will be able to complete at home and bring in to show their class teacher on their transition days.

Children will spend two days in the last week of term with their new teacher. Parents will also get the chance to meet the new teacher at the end of the school day on 17th and 18th July 2024, our school gates will open at 3pm – staff will be on hand to direct you to classrooms.

We would be grateful if you could only visit your child's new classroom on one of these days rather than both so things are not too busy. If you have more than one child you can of course visit a different teacher each or different teachers on the same day.

The children will then return to their current class teacher for their final day on Friday 19th July.
