1. Introduction

As part of Unity Schools Partnership Trust, Burton End Primary Academy is committed to our shared values, which underpin all that we do. We expect all our work, including promoting and improving attendance and managing absence, to be characterised by:

INTEGRITY

INCLUSION

KINDNESS

At Burton End Primary Academy we will:

- Nurture kind, articulate and thoughtful children who will be able to listen to others but think for themselves. Our children will be able to talk confidently about their own ideas and hopes for the future.
- Inspire and motivate children to produce their best work through a broad and balanced curriculum that engages them in their learning.
- Have consistently high aspirations; we will challenge and support children both academically and socially and emotionally. We will ensure our children are ready for the next stage of their education.
- Use our school values of 'Kindness', 'Respect', 'Resilience' and 'Ambition' to develop children's understanding of how to contribute and live safely in the world that we live in. We will encourage a sympathetic understanding of others' needs, beliefs and values.
- Support and develop our enthusiastic and skilled staff team to enable our children to achieve our vision.

kindness

respect

resilience

ambition

Our Trust is committed to providing high-quality education for all. We want the children and young people who attend Burton End Primary Academy to enjoy learning and to take full advantage of the educational and social development opportunities available to them. By attending school every day and on time, children and young people can realise their full potential. We want our pupils to be safe, happy and successful.

Although parents/carers have the legal responsibility for ensuring their child's good attendance, the Headteacher and Governors work together with parents/carers,

pupils, other professionals and agencies to ensure that all children and young people are encouraged and supported to develop good attendance habits. We always take a “support first” approach.

Children and young people who are persistently late or absent soon fall behind with their learning. Children and young people who are absent from school frequently develop large gaps in their learning which will impact on their progress and their ability to meet age-related learning expectations. A pupil whose attendance drops to 90% each year will, over their time at school, miss just over 4 half-terms of learning or 19 full school days in each year.

The expectations within our policy apply to non-statutory school age children in order to promote good habits and to safeguard the children - although legal intervention is not used for non-Compulsory School Age children ¹

2. Links with other school policies

We keep safeguarding at the heart of all we do, and we work within the framework of local Procedures, our Safeguarding Policy, Keeping Safe in Education and Working Together to Safeguard Children ²

This policy should be read in conjunction with existing trust-wide and school policies including, but not limited to, the following policies (schools to add in their own policies as appropriate):

- [Safeguarding and Child Protection Policy](#)
- [Special Educational Needs and Disability Policy](#)
- [Behaviour Policy](#)
- [Children with Health Needs Who Cannot Attend School Policy](#)
- [Online Safety](#)

3. Aims and Objectives

This attendance policy will ensure that all staff, parents, pupils, governors in our school and the wider community are fully aware of and clear about the actions

¹ A child becomes of ‘compulsory school age’ on 1st January, 1st April or 1st September following their 5th birthday and ceases to be of compulsory school age on the last Friday in June of Year 11

² You can find links to these documents at the end of this policy

necessary to promote good attendance, to manage absence and to ensure there is excellent practice across our whole school.

Attendance is everyone's business, and it is a high priority for all staff in our school. We recognise the key role of all staff, in promoting good attendance and these roles.

These responsibilities are laid down in [Appendix A](#).

4. We PROMOTE good attendance by doing these things:

- Working in partnership with parents and families, carers, staff and the Local Authority (LA) by building strong relationships and offering support first.
- Listening to parents and pupils and understanding their point of view.
- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure, and valued, and encourage in pupils a sense of their own responsibility.
- Establishing a pattern of monitoring attendance and ensuring consistency in recognising achievement and dealing with difficulties.
- Recognising the key role of all staff in promoting good attendance and ensuring all staff are trained in order to deliver their responsibilities well.
- Delivering the highest quality of teaching.
- Creating an ethos in which good attendance and punctuality in attending school and lessons are recognised as the norm and seen to be valued by the school
- Ensuring that all members of the community know of the policy and have access to it. We will share it with parents:
 - whenever a pupil starts at our school mid-year
 - when pupils arrive at our school Reception
 - via our website in the [policies and documents section](#)

We also have a short version for parents which can be found on our [website](#).

- Working to ensure that every pupil has access to the full-time education to which they are entitled. This includes making the best provision we can for any pupil who needs additional support in school or who is prevented from attending school, due to physical or mental health needs or disability. We recognise that, for disabled pupils or those with chronic health conditions, 'reasonable adjustments' may be needed to the school environment or to

policies to support good attendance. Department for Education (DfE) Guidance is here ³ (or ask the school for a printed copy).

- Ensuring that we communicate regularly to parents, pupils, staff and the wider community in a variety of ways through social media, the school website, newsletter and inside school through assemblies and lessons.
- Celebrating Good Attendance. Each week the classes with the highest attendance in EYFS/KS1 and KS2 are awarded a 'Golden Star' to display on their classroom door. When the class reaches 6 golden stars (at any point during the year) they can decide on a class 'treat'. Each week is a fresh start for each class. At the end of every half term we reward children who have achieved 100% attendance with a postcard that is sent home. There are six chances each year to be awarded a postcard. At the end of each half term we also recognise children whose attendance has significantly improved with a postcard that is sent home too. We recognise that some children may be affected by health or special educational needs which can impact on attendance, we are mindful of this and ensure that these pupils are also included in attendance reward by recognising individual progress.

5. We MONITOR our attendance by:

Use, production and analysis of our data

We have established a pattern of monitoring attendance that ensures consistency in recognising achievement, dealing with difficulties, ensuring support is offered early and everyone gets the right information at the right time.

We monitor attendance and absence data daily, weekly, half-termly, termly and yearly across the school and at an individual pupil level. This helps us to identify whether or not there are individuals or particular groups of children whose absences may be a cause for concern and what we should be putting in place to improve things. It also helps us to measure the impact of everything we do.

We also report to the LA, governors, our Trust Board and the DfE.

See [Appendix B](#) for more information on how we produce and use data

³ DfE guidance [Arranging education for children who cannot attend school because of health needs December 2023](#)

6. We SUPPORT by:

Managing absence well so we can intervene and support early

What is Absence?

All absences are recorded as either authorised or unauthorised. It is important that we receive accurate information from parents with reasons for the child's absence. This information is used to determine whether the absence is authorised or unauthorised. The Headteacher holds the final decision-making responsibility:

- Persistent Absence is defined by the government as when a pupil misses 10% or more of possible attendance sessions
- Severe Absence is defined by the government as when a pupil misses 50% or more of possible attendance sessions
- Authorised Absence

Only the school can decide whether to authorise absence so absence may not be authorised even if a parent has provided some information. We will consider this carefully on each occasion and may contact parents to get more information.

Examples of authorised absence are illness, hospital appointments, interviews.

- Unauthorised absences
These occur when a pupil is away from school without the permission of the school-even if it is with the agreement of a parent. We will tell parents if we decide not to authorise an absence.
- Lesson absences (secondaries)
Where a pupil attends a registration session but does not attend subsequent lessons, we will treat this as a truancy in accordance with the behaviour policy and engage parents/carers where necessary

See [Appendix C](#) for the list of codes which tell you which absences are authorised, and which are unauthorised and how the codes are used.

Managing lateness and punctuality well

It is important that pupils arrive for school punctually to ensure a calm and purposeful start to the day and to minimise disruption to other learners. If there is something affecting your child's arrival time at school, please talk to us and see if we can help.

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Late arrival time at school is monitored by our Attendance Officer through the School Office and through signing in pupils on our 'InVentry' system.

Pupils must arrive in school by 8.45am on each school day.

The register for the first session will be taken at 8.45am and will be kept open until 9.15am. The register for the second session (afternoon) will be taken for EYFS/KS1 at 12.40pm and for KS2 at 1.30pm and will be kept open until 1.10pm and 2.10pm respectively.

Any pupil who comes into school after the agreed time for either/both morning registration or afternoon registration will be marked as late in the attendance record. (Attendance code L)-this is a present mark. This is documented on the electronic register for each pupil. If the reasons for this are beyond the pupil's control e.g. school transport issues, they will not receive a detention.

Any pupil who arrives for school 30 minutes after the registers closed will be marked as having an unauthorised absence for the morning or afternoon unless there is another valid reason such as a medical appointment.

If pupils arrive late frequently with no valid reason, we will discuss with pupils and parents to establish the reason(s). If support can be offered, this will be put into place. We may apply for a Penalty Notice (fine) from the Local Authority (LA) if all other support methods have been attempted with no effect.

Managing medical or dental appointments well

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and we have had evidence of the appointment provided. This might be, for example, a card, text, letter or email confirmation.

We recognise that pupils with specific health needs, may need more medical appointments than most other pupils.

We encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary and attend school before and after the appointment unless this is impossible.

Managing requests for leave of absence well

The government does not allow authorisation of absences for holidays. Under exceptional circumstances, the Headteacher may agree to a leave of absence. The School Attendance (Pupil Registration) (England) Regulations 2024 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.

We need parents/carers to complete the Leave of Absence Form (Appendix D) as far in advance as possible of the requested absence, with at least two weeks notice.

These requests will be considered on a case-by-case basis by the Headteacher who will, in turn, liaise with Headteacher(s) of siblings' schools, if the sibling attends a Trust school, and will endeavour to do the same for siblings' schools not in the Trust. The Headteacher will consider every request individually. But we will not agree exceptional leave for any holidays.

The decision of the Headteacher is final and, if the leave of absence is not agreed, the child's/young person's absences will be marked as unauthorised.

Managing illness absences well

We understand that children do get ill sometimes.

If we are concerned that your child is missing a lot of school that you are reporting as illness, we will contact you to get more information, try and find out what is happening and discuss whether we can put support in place at school, or support you with referrals for help from other professionals.

If we are still worried, we may request medical evidence for further absences. This can take the form of a GP appointment card, a consultant letter, a copy of a prescription etc. It is the responsibility of the parent/carer to supply this evidence and the school may decide not to authorise the absence if the evidence is not forthcoming. We may seek written permission from you for the school to make our own enquiries. We will not do this for every absence, only if we are concerned about the validity of absences

and we will let you know if this is the case. An individual decision will be made in all cases.

If we are not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

When pupils have an illness, confirmed by a medical professional, that means they will be away from school long term, where appropriate, the school will do all it can to send learning material home, so that your child can keep up with their schoolwork. If the absence is likely to continue for an extended period, or be a repetitive absence, the school will contact the LA to discuss what extra support might be available.

Managing religious observance absences

We recognise that pupils of certain faiths may need to participate in days of religious observance. Where a day of religious observance falls during school time and has been exclusively set apart for religious observance by the religious body to which the pupil belongs, the absence from the school will be authorised. We ask that parents/carers notify the school by writing to the Headteacher in advance where absence is required due to religious observance.

If necessary, the school will seek advice from the parent/carer's religious body, about whether it has set the day apart for religious observance.

Managing exclusions and suspensions absences

If the school decides to send a pupil home due to their behaviour, this will be recorded as a suspension, which is an authorised absence. We will follow the current DfE's statutory guidance on exclusions.⁴

Any suspension must be agreed by the Headteacher. You can find more information on how we support the improvement of behaviour in our [behaviour policy](#). We will always talk to you about how we can work together if we or you are worried about your child's behaviour.

⁴ [School suspensions and permanent exclusions - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

Working with parents/carers who decide to/are thinking of Elective Home Education (EHE)

Parents/Carers have the duty to ensure a child of compulsory school age receives a suitable education. This does not mean that the child must attend a school – it is possible to fulfil this duty by home educating the child.

We will never seek to persuade parents to educate their children at home.

If parents/carers are exercising their right to home educate, the school requires written notification. We will arrange a meeting with the parents/carers to discuss this decision as soon as possible. There is no requirement for parents to obtain the school or LA's agreement to educate their child at home, and we will not seek to prevent parents from educating their children outside the school system, but we do want to make sure that we have done everything we possibly can to support your child in school and to explain your responsibilities when you home educate. We will provide you with a link to government advice [EHE Guidance for parents](#)

We have a legal duty to inform the LA that the pupil is to be deleted from the admission register. We will make clear to the LA any concerns the school has about the decision to home educate.

All our secondary schools will support the application to sit public examinations as a "Private Candidate" wherever possible.

Identifying and monitoring Children Missing Education

All children and young people, regardless of their circumstances, are entitled to an efficient, full-time education which is suitable to their age, ability, aptitude, and any special educational needs they may have. We recognise that children missing education are at significant risk of underachieving, being victims of abuse and harm, exploitation, or radicalisation, and becoming NEET (not in education, employment, or training) later in life.

We will use our usual absence management procedures to monitor and support children and young people who are absent (missing out on education), and their families, but there are also some very specific circumstances where extra monitoring is needed, and we will need to formally refer to the LA if we do not know where a child is. The LA will carry out some extra investigations.

Local Authorities (LAs) have a duty under S436A of the Education Act 1996 to identify children missing education.⁵

Agreeing and supporting part-time timetables

Part-time timetables may be used to support a pupil back into full-time education following a medical or emotional issue. We never issue these as a way of managing behaviour in the long term.

They are expected to be short-term measures, but an individualised approach is always taken, and reviews will be undertaken fortnightly to provide assurance that the off-site education and/or modified timetable is achieving its objectives, and that the child/young person is benefitting from it. The school will gain consent from parents, and from the Headteacher to put in place a reduced or modified timetable.

The school will ensure that parents and the LA are given clear information about the reduced or modified timetables: why, when, where, and how they will be reviewed.

Pupils on significantly reduced timetables will be a priority for any safeguarding and attendance monitoring. We do this by keeping in regular contact with families and carrying out visits to homes should it be necessary. Where the school or Local Authority have concerns about a child's safety or if a family are open to social care it is unlikely that a part-time timetable will be enacted.

The school leadership will report, to the Governing Board, any information regarding the use and effectiveness of the use of modified timetables, and this will also be reviewed by the Trust Safeguarding Lead.

The school will share half-termly data to the Trust Safeguarding Lead regarding all children/young people, of statutory school age, attending alternative provision and/or on a reduced or modified timetable for review.

Supporting pupils attending Alternative Provision

The vast majority of children engage positively with school and attend regularly. However, in order to flourish, some children require an alternative education offer, or may require a modified timetable, to support a return to full time education provision.

⁵ Children Missing Education Statutory Guidance

It is recognised that children accessing Alternative Provision (AP), or a reduced or modified timetable may have additional vulnerabilities.

In our school, the Headteacher or Deputy Headteacher will liaise with the Alternative Provider to ensure that the pupil is attending, and it is accurately recorded. The school will review safeguarding processes and procedures at the AP by visiting the provision, meeting with key staff and scrutinising policies prior to the planned start date and a record of this will be kept.

We will monitor and track children attending alternative provision to ensure that the provision meets the needs of the child, and the child is attending.

We will ensure that parents (and the LA where the child/young person has an Education and Health Care Plan (EHCP)) are given clear information about alternative provision placement timetables: why, when, where, and how they will be reviewed. We will listen to parent and pupil views and involve them in any reviews.

7. We support by:

Having clear roles and responsibilities across our school

This ensures that everyone understands their role and the procedures that are in place, and we can monitor that all the right things are happening.

You can see our staff roles and responsibilities in [Appendix A](#)

Defining Parents/carers responsibilities

Children who attend regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. We want all pupils to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise their full potential. We want to work in partnership with you and these are the things we ask you to do:

- Contact the school early if you are at all worried about your child - no matter how small the concern - so that problems can be quickly identified and dealt with. If you are aware of any specific issues that might cause absence or lateness (e.g. a sick parent/carer), please let us know as soon as possible. You can see who to contact at the end of this policy -and there is a short version of this policy for parents which you can find at on the [school website](#) which also gives you this information.

- Make sure your child attends every day on time. Morning registration starts at 8.35am and closes at 8.45am. After 9.15am, your child receives an absent mark (this is a legal requirement).
- Call the school [01440 702376] to report your child's absence before 9.00am on the day of the absence and each subsequent day of absence or use the school admin email address (admin@burtonendschool.co.uk) We ask that you give full details of the absence and avoid using generic phrases such as "poorly" or "sick" - tell us what symptoms your child has and when you expect them to be back at school. You must repeat this for every day of absence, unless by prior agreement with the school. This helps us to safeguard your child as we will otherwise not know if they have left home and not arrived at school. We may call you back if we need more information.
- Provide the school with more than 1 emergency contact number for your child.
- Ensure that, where possible, appointments for your child are made outside of the school day, avoiding registration periods. If a school-time appointment is unavoidable, your child should attend school before and after the appointment.
- Inform the school in advance of any medical appointments in school time. For the absence to be recorded as a medical absence we do require evidence from the doctor or dentist (e.g. an appointment card/letter/prescription paperwork or packet.) Help your child (age appropriately) to understand the link between attendance and attainment/progress
- Request any exceptional leave of absence giving 2 weeks notice by completing the Leave of Absence Request Form (Appendix D)

Defining Pupils' responsibilities

Pupils are expected to:

- take responsibility for their own learning and ask if they need help
- talk to their class teacher or any adult in school if there is anything worrying them that is affecting their attendance at school
- aim for high attendance (usually, we aim for an attendance of 97%)

8. We support by:

Having clear procedures in place

Registers

All of our pupils are placed on the attendance register. Attendance registers are legal documents, and these must be kept securely.

Our staff are trained to record information about attendance clearly and accurately. This includes keeping the register and any notes that are made.

It is important that all absence recording is accurate, and we robustly oversee this in our school. We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

We will take our attendance register at the start of the first session of each school day and once during the second session. We are required to use a national set of codes decided by the DfE and these can be found in [Appendix C](#). The attendance register will mark whether every pupil is present, absent, or attending a place other than the school. This might include, for example, attending work experience or an educational visit or a trip.

We will also record whether each absence is authorised or unauthorised using the appropriate code.

Facilitating Targeted Support

If your child is developing a pattern of absence and/or we are concerned about anything, we will keep in regular communication with you about your child, whether or not the absences are authorised or unauthorised.

We do not wish to mark an absence as unauthorised unnecessarily. Keeping in close communication with us means we will have enough information to decide clearly whether absences should be authorised or not. Without any information, we will have to decide not to authorise the absence.

We will work with you to remove barriers in school and help you to access the support you need outside of school. We will do this by working together with the LA and other agencies to do this as needed.

We will either put in place an informal support plan which is managed by the school or a more formal support plan, working with you to do this, and asking for the right people to be involved in helping you.

Formalising Support

If we think attendance is still not improving enough, we may put in place a more formalised support plan which could include a formal attendance contract or apply to the Family Court for an Education Supervision Order (ESO)⁶. This is not punitive and will only be considered if informal support has not resulted in an improvement.

An ESO gives the LA a formal role in advising, helping and directing the pupil and parent(s) to ensure the pupil receives an efficient, full-time, suitable education. For the duration of the ESO, the parents'/carers' duties to secure the child's education and regular attendance are superseded by a duty to comply with any directions given by the local authority under the ESO.

This will always be discussed with parents and with the LA and parent/carer, and the child's/young person's views will always be taken into account.

9. Enforcement

We will do our utmost to support you to improve the attendance of your child without using legal intervention and will make ourselves available to discuss any concerns and barriers and work in partnership with you, to resolve them.

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention: a penalty notice in line with the National Framework or prosecution to protect the pupil's right to an education. Individual circumstances will always be considered before we request any legal intervention from the LA.

However, the government requires that we consider whether a Penalty Notice is appropriate in each individual case where a pupil reaches the national threshold for considering a penalty notice. The national threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks (a session is half a school day). In all cases, where support is more appropriate, we will not request that a Penalty Notice is issued.

⁶ [Working Together to Improve School Attendance February 2024](#) page 38

Penalty Notices are intended to prevent the need for further court action. We may request that the LA issues a PN if there is unauthorised leave of absence and/or if parents are not engaging with support or not communicating with us.

LA officers have the discretion to issue a penalty notice without warning where the parent has chosen to take the child on leave during term time without authorisation or evidence is subsequently found to suggest a child was away from school with the knowledge of the parent and the absent is not due to the statutory defences.⁷

Otherwise, you will receive a Notice to improve which gives you time to make changes -we will support you to do this. [School attendance - Suffolk County Council](#)

If issued with a fine, or penalty notice, each parent/carer must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the LA

If the payment has not been made after 28 days, the LA can decide whether to prosecute or withdraw the notice. If a prosecution ensues, you will be summoned to appear in Court for an offence under Section 444(1) or 444(1A) of the Education Act 1996 and can result in a criminal conviction recorded against you. Courts have a range of sentencing options, which could include a Community Order. Parenting Order, imprisonment and/or a fine up to £2,500.

In some cases, the LA may agree to proceed straight to prosecution without issuing a Penalty Notice.

Appendix A: Roles and Responsibilities in our school

The Trust Board

- Promoting the importance of school attendance across the Trust's policies and ethos
- Approving the attendance Policy
- Making sure school leaders fulfil expectations and statutory duties
- Regularly reviewing and challenging attendance data on a termly basis
- Making sure staff receive adequate training on attendance
- Helping leaders focus improvement efforts on the individual pupils or cohorts who need it most
- Receiving and considering a report on the school's attendance at regular intervals
- Ensuring the school has a dedicated attendance lead who will drive improvement across the trust

The Governing Board

- Promoting the importance of school attendance across the school's policies and ethos
- Regularly reviewing and challenging attendance data on a termly basis
- Holding the Headteacher to account for the implementation of this policy

The Headteacher

- Overseeing the consistent implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils and requesting penalty notices, where necessary.
- Setting and monitoring the impact of any implemented attendance strategies and linking them to the school and Trust strategic plans
- Ensuring CPD is in place on attendance at an appropriate level for school staff
- Overseeing performance management for staff delivering and supporting attendance work.

The Attendance Champion

(Designated senior leader responsible for attendance)

- Leading attendance across the school and offering a clear vision for attendance improvement
- Ensuring good systems and processes are in place and monitoring their use Regularly reviewing the school's attendance procedures – strengths and weaknesses, including seeking feedback from the attendance team, highlighting key issues with the Head
- Facilitating data reporting which provide data in appropriate formats for the relevant staff and governance bodies and has a deep and clear understanding of attendance by group, such as gender, pupils entitled to Free School Meals, Pupil Premium pupils, pupils with SEND, Children in Care and attendance by Ethnicity and Language (English/EAL)
- Devising specific strategies to address areas of poor attendance identified through good use of data
- Building relationships with parents/carers to discuss and tackle attendance issues
- Ensuring staff are clear about their roles and responsibilities in relation to attendance and have the required knowledge and skills to fulfil them
- Facilitating at least weekly meetings of the staff to monitor and review attendance across the school – for individual pupils, vulnerable groups and the whole school. This will include decisions about next steps for individuals and cohorts and monitoring that the appropriate support is in place for pupils and families where targeted intervention and/or reintegration plans be needed
- Benchmarking attendance data to identify areas of focus for improvement
- Making home visits, calls and meetings to parents as needed
- Alerting staff in school where there are concerns -this might include the Designated Safeguarding Lead (DSL), Special Educational Needs and Disabilities Coordinator (SENDCO) and other appropriate staff
- Monitoring and analysing attendance data at individual and school level
- Working with LA officers to tackle persistent absence and providing information for meetings with the LA

The designated senior leader responsible for attendance is Mr Almond and can be contacted via the School Office.

The attendance administrator/office staff

- Take and record calls from parents/carers [and pupils] about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers [and pupils] to the [head of year/pastoral lead] in order to provide them with more detailed support on attendance
- Make first day absence calls and call parents to clarify information
- Update registers and amend codes with approval
- Meet weekly with the Attendance Champion to review attendance
- Co-ordinate the communication with parents and carers about pupil attendance
- Attend and keep notes of parent/carer meetings
- Co-ordinate the awarding of rewards in line with the attendance policy.
- Ensuring that the daily registers are completed accurately and on time, recording the reasons for absences and reporting any concerns or patterns of absence to the rest of the Attendance Team/Champion.
- Making home visits, calls and meetings to parents as needed
- Alerting staff in school where there are concerns -this might include the Designated Safeguarding Lead (DSL), Special Educational Needs and Disabilities Coordinator (SENDCO) and other appropriate staff
- Making referrals to other agencies who may support the family/pupil. This will not be done without parental agreement unless there are urgent safeguarding worries.
- Preparing paperwork for Penalty Notices or other legal action if this is felt by the school to be appropriate
- Coordinates requests for term-time leave of absence, liaising with the Attendance Champion and Head Teacher as necessary. (This also includes liaison with the DSL and Safeguarding Team.)
- Making Children Missing Education referrals to the LA where appropriate (this includes liaison with the DSL and Safeguarding Team).

- Recording work accurately on the system
- Monitoring and analysing attendance data at individual and school level
- Working with LA officers to tackle persistent absence and providing information for meetings with the LA

The attendance administrator is Mrs Bowmer and can be contacted via the School Office.

Class teachers

- Class teachers are responsible for recording attendance on a daily basis, using the correct codes within the limits agreed by the school, and submitting this information to the school office at 8.45am (morning) and 12.40pm, 1.30pm (afternoon).
- Will discuss any initial concerns with pupils and families unless it has been agreed that, in particular cases, this rests with another member of staff
- Will talk to their class about the importance of good attendance and how any worries can be shared
- Where there are attendance concerns, either raised by class teachers themselves or by the Attendance Officer, they will 'check-in' with the pupil to find out about any reasons for absence as part of their responsibilities under the school's Safeguarding Policy.
- Class Teachers may also be asked to meet with parents/carers whose child has a falling level of attendance and is flagged as a concern by the Attendance Officer.

Designated Safeguarding Lead (DSL)

The DSL provides safeguarding support and advice to attendance colleagues as appropriate, including in response to term-time leave requests and CME cases, taking safeguarding action where necessary. Considering attendance across pupils known to be vulnerable/open to a SW; liaising with SWs

Appendix D: Leave of Absence Request Form

LEAVE OF ABSENCE REQUEST FOR EXCEPTIONAL CIRCUMSTANCES

As there is a clear link between attendance and achievement, requests for absence will be carefully considered on an individual basis by the Headteacher, based on the information you provide on the form, before permission is granted. In line with Government and Local Authority Guidance, permission may be granted in advance in **exceptional circumstances**. Please see the school's Attendance Policy for more information.

Any parent/carer wishing to request a leave of absence should complete and return the attached form to the school office at least 2 weeks before the first day of the intended absence.

If the request is authorised by the Headteacher, an authorised absence will be recorded in the register for the duration of the absence. If a child is kept out of school without authorisation, an unauthorised absence will be recorded in the register for the duration of the absence.

You should be aware of the Government and Local Authority's guidance on penalty fines for any unauthorised absence, which could lead to a fixed penalty fine (currently £160 per liable parent/carer, per child). See our Attendance Policy for more information on fixed penalty notices.

After considering your request and the circumstances you have detailed, we will notify you of the outcome of the request. Any queries should be directed to the headteacher via the school office.

10. Please read the following and sign to indicate you agree:

I would like to request the above absence. I understand that the school strongly advises against taking unnecessary absences during term time and accept that this may have a detrimental impact on my child's progress. I undertake to make sure my child/children catch up with any work that is required of them – please note, the school is not obliged to provide catch up work.

What will be done to catch up on missed work?

NB: Amendments to the 2006 regulations (2013 and 2024) make clear that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Parents do not have the automatic right to withdraw pupils from school and, in law, have to apply for permission in advance. The school will always want to discuss this with you personally. You are advised not to make any arrangements until your request has been considered by the school. Any absence which has not been agreed in advance by the Headteacher is marked as 'Unauthorised Absence' and may result in a Penalty Notice being issued (see Attendance Policy for more details).
